Underrated Legal Safeguard

"TOP 4 BIGGEST LEGAL MISTAKES BY BIGGEST PLAYERS OF ALL TIME "

- In 2016, Volkswagen agreed to a \$14.7 billion settlement after it came to light that the company had been deliberately cheating on emissions tests.

- In 2018 Visa and MasterCard agreed to pay up to \$6.2 billion as of a lawsuit brought on by U.S. retailers over unfair swipe fees.

- The drug companies are to pay \$3 billion as part of a criminal and civil case for misbranding Paxil and others.

- A lawsuit was filed against Apple patents related to software & all. In May 2017, Nokia reported that Apple ended up paying Nokia a whopping \$2 billion.

As a law aspirant with my extensive legal knowledge, I can safeguard billions for our investors and preserve our company's esteemed reputation and brand image, assuring trust among the public.
